

Questions to Ask Professors

Here are a few questions you might ask a professor:

1. How many students are in this major?
2. How are academic advisors assigned to students?
3. What kinds of undergraduate research opportunities are available?
4. What record does your department have for getting its undergraduates into graduate school?
5. What are some books, courses, experiences I can have that will prepare me for a major in this department?
6. How do you like teaching at this college? Why did you decide to teach here?
7. If you had it to do all over again, to which colleges would you apply for undergraduate school? Why?
